## We want to hear from **YOU...**

**Smart Cooling in the Tropics has reached its half way mark and wants to hear from you!**

All eligible households who complete our participant survey by July 31st 2015 go into the draw to WIN a one day tour of Litchfield National Park for two people with Ethical Adventures.

This prize is valued at \$334 but free to one lucky Smart Cooling household!

You can complete the survey online by clicking [here](#)

OR

**Call the Smart Cooling Team today on 8981 3642**

Our survey won't take long and will ensure we are providing the information you need now to stay cool, comfortable and cut your energy bills.

One of our friendly assessors Glenn, Prue or Emily will call you over the coming

weeks to ensure you are happy with your fully funded treatment and help you complete your survey.

For further information call 8981 3642 or check our website [www.coolmob.org](http://www.coolmob.org)

## More people can now join Smart Cooling in the Tropics- "Pass it on"

Smart Cooling in the Tropics has expanded its eligibility criteria to include residents who receive New Start Allowance or are eligible for, or are already receiving, the [National Rental Affordability Scheme \(NRAS\)](#).

All eligible residents participating in the project receive a complimentary home energy assessment and free cooling services and products based on the recommendations of the assessment.

Residents with a low income healthcare card, approved Centrelink payments and whose income is in line with the [NRAS index](#) are encouraged to contact the Smart Cooling team today to check their eligibility for this exciting opportunity.

If you know someone who is eligible **pass this email** on to ensure they too can be part of this fully funded energy assessment service and house retrofit program.

[Register online](#) or call COOLmob at 8981 3642.

You're invited to attend the May  
**\$mart Energy Savings Workshop**

Bring along your latest Jacana Energy Bill and our experienced energy assessors, Emily and Prue, will give you an update on the latest tariff changes from Jacana Energy.

You'll also be able to ask all the nitty gritty questions about how your bill is calculated and learn which appliances use the most electricity.
